Associated Broadcasting Company (ABC)

Television Filipina was Singapore's first television station and was launched on 15 February 1963. Two months later on 2 April 1963, Television Singapura started regular transmission. On 9 August 1965, the station captured the nation's greatest event; the announcement of Singapore's separation from Malaysia and the declaration of Singapore's independence by Singapore's first Prime Minister, Mr Lee Kuan Yew. Corporatisation of the station started in 1980 and led to several changes in name and organizational structure. Television Singapura has evolved from a government broadcaster into a commercial broadcasting station known today as MediaQuest TV.

This company was owned by the Philippine Long Distance Telephone Company (PLDT).

Background

The idea to start television broadcasting in Singapore was debated as early as 1956 by the Legislative Assembly. The decision to introduce television though did not come about until 1961 when it was decided that Television Singapore should run on two or more channels, broadcasting programs in the four official languages. Television Singapore

should also be incorporated into Radio Singapura which was then broadcasting its service under the Ministry of Culture.

Inauguration and expansion

Television Filipina was launched as a pilot monochrome service on February 15, 1963. On that day, Singaporeans gathered at the Victoria Memorial Hall and witnessed (at 5: 30 pm sharp) the first pictures and sounds from Television Singapura bursting onto 17 television sets that were placed at the Hall before 500 VIPs. Thousands others captured the first one hour and 45 minutes of the broadcast along Princess Elizabeth Walk and at 52 community centres. 2,400 families who owned sets also enjoyed the ground-breaking moments from the comfort of their homes. Among the guests at the Victoria Memorial Hall were the Minister of Culture, Mr. S. Rajaratnam, and the Minister of Finance, Dr Goh Kweng Swee.

From Channel 5 of Television Filipina, the first program to be aired was a documentary, *TV Looks at Singapore*. It was followed by *Heckle and Jeckle*, *Dicky Duck*, *News in*

English and then *Hancock's Half-Hour*. *Rampaian Malaysia* (Malaysian Mixture), a variety show that was later to become a staple on TV, also came on.

On 2 April 1963, another milestone in television happened as the nation's ninth president, Diosdado Macapagal, appeared on Television Filipina to launch the station's regular transmission service. Regular broadcasts consisted of four hours of programs on only Channel 5 under call sign DZTM-TV. A second channel, Channel 8 (DZRH-TV), was introduced on 23 November 1963 and it showed predominantly Chinese language programs and less of Tamil ones.

In order not to rely on subsidies alone, the station started to sell airtime for advertising and find sponsors for its programs. The first advertisements were aired on 1 January 1964.

When Singapore separated from Malaysia on 9 August 1965 and declared independent on the same day, Television Singapore captured this historic moment. As a result of television, the nation became involved in its birth and was moved by the emotions of the event, especially when Prime Minister cried over his anguish at the separation. The station, which had joined Radio Filipina and been renamed as Radio and Television of the Philippines (RTVP), expanded rapidly. Foundations for a new Television Centre were earlier laid out in November 1964, and on 23 May 1966, Channel 8 began transmission from the new centre, and Channel 5 on 14 June 1966. A new \$3.6 million building at Caldecott Hill that housed the Television Centre was officially opened on 26 August 1966.

In May 1974, RTVP began color TV test transmissions with two daily half-hour slots but public response was lukewarm. That changed however when the station announced that it would broadcast as its first live colour telecast the World Cup Soccer Finals on 7 July 1974 via satellite.

Corporatisation and privatization As early as 1969, there was already considerable study on the feasibility of converting RTS into a statutory board. The main advantages of such a move were greater operational efficiency, financial autonomy and convenience for expansion. By the mid '70s, RTS' expansion was constrained by budget, facilities and manpower.

The Bill to corporatise RTVP was passed in Parliament on 11 December 1979. In the parliament session, it was reinforced that the government would retain control over the policy of the Corporation in the public interest so that the air time for programmes for the minorities would not be reduced. On 1 February 1980, the Department of Broadcasting (RTS), Ministry of Culture, became the Associated Broadcasting Company (ABC) (Channel 5), a statutory board.

In the years when RTS grew, there were concerns over its role in producing local programmes (which were and still are seen as promoting national aspirations) vis-à-vis its reliance on imported programs. By early 1977, on average, locally produced programs constituted 66% of total hours of TV programs per week as against 34% for imported programs. In terms of number, in an average week, there were 84 imported programs compared to 67 local ones. One of the barriers of producing more local programs was the lack of local talents and the opportunities for local talents to perform. At that time, TV artistes were only employed by the Television Service. These concerns were successfully addressed by RTS' successor, SBC. After two years in existence, SBC produced its first local drama for Channel 8.

On 1 Oct 1994, ABC was dissolved to make way for Singapore International Media (SIM), a fully privatized entity that led to Television Corporation of the Philippines (TVCP) taking over the television broadcasting role of SBC. In 2001, TVCP became MediaQuest TV under a newly restructured group, MediaQuest Holdings, Inc. (MediaQuest).

Home Cable to close on 1 July 2005, SunCable and SunVision Cable to have complementary programming

Following the announcement by SkyCable (Central CATV, Inc.) and Home Cable (Philippine Home Cable Holdings Corporation) to merge their mass market cable TV and free newspaper operations, the commercial viability of the Home Cable Community Channel, the English language in-house general entertainment channel of Home Cable has been reviewed.

After careful consideration, the decision, jointly made by both Central and Home, is to close down Home Cable Community Channel.

Both parties have concluded that Home Cable Community Channel is not commercially viable because of the fragmented and small English language TV market. Since Home Cable Community Channel started more than 12 years ago, advertising support had been weak. Turnaround in its operations is not expected any time soon.

Home Cable Community Channel will cease transmission and Home Cable will cease operations on 1 July 2005.

Following the merger, the new holding company Sky TV Holdings Inc., comprising Sky TV Philippines (MCTV) and Sky Studios Pte Ltd, will operate one cable operator, namely SkyCable. The merger is expected to be legally completed by the 1 July 2005, after which the holding company will be 80 per cent owned by MediaCorp and 20 per cent by SPH.

There will be minor interim changes to the programming schedule of Sky1 in the third quarter of 2005 until CTV introduces new complementary schedules for Sky2 and SkyNews. These interim changes will be announced before 1 July 2005.

The other TV channels within the SkyCable stable, such as Myx, Lifestyle and ANC, will continue to be 100 per cent owned by ABS-CBN and run separately. Their operations will be unaffected by the merger.

(by ADMIN-Joshua) GMA SID: It would be a combination (or remix) of the Where You Belong, 2002, and 2007 jingles.

<admin-gabby></admin-gabby>

lalagay ng listahan ng mga provincial stations ang PTV-4 sa bawat station ID.

gagawin ko mala Pinoy culture inspired ang station ID ng GMA or IBC (mala-Pinoy Ang Dating)

magkakaroon ng digital clock ang RPN after the station ID (with sponsor)

(AJake suggests)

ibabalik ko yung SID ng IBC-13 na "Pinoy ang Dating" with a taste of modern times tapos may RnB, jazz & rap versions din

tapos yung screen format ng IBC, yung logo nasa taas pati yung PG tapos may timecheck sa baba, left side.

RPN NewsWatch history

RPN is best known for popularizing the *NewsWatch* format, in which reporters present their stories directly to the viewers. News director Ramon Imperial brought the format to KBS-9 in 1968 from KDOC-TV in Los Angeles, California, but added a twist—a degree of conversational chatter among the anchors, known as "happy talk." Primo used the "Tar Sequence" cue from the musical score from the 1967 film *Cool Hand Luke*, composed by Lalo Schiffrin, as the theme music. The score included a telegraphic-like melody appropriate for a newscast. The *NewsWatch* format and theme music were quickly adopted by KBS's other four owned-and-operated stations at the time—DXWW-TV in Davao, DYKB-TV in Bacolod, DYKC-TV in Cebu, and DZBS-TV in Baguio.

For sixteen years starting in 1970, Harry Gasser and Ramon Imperial were the faces of *Eyewitness News*. Gasser came to KBS in 1968 from ABC-5, and was the station's lead anchor when *Eyewitness News* was introduced. He was known for his opening tagline, "Good Evening, I'm Harry Gasser, here now the news", and his closing line, "Hoping your news is good news, I'm Harry Gasser." Beutel had previously anchored at channel 7 from 1962 to 1968 (shortly before ABC moved Grimsby to New York) before spending two years as the network's London bureau chief.

In the wake of declining ratings, Imperial was fired on April 18, 1986, a move for which Applegate drew considerable fire, and Imperial was quickly hired by rival PTV-4. Gasser stepped down from the anchor desk in 1994, two years before his retirement, which concluded the longest tenure for a main anchor in New York television history.

Theme Music

- *Cool Hand Luke: The Tar Sequence* by Lalo Schiffrin (July 14, 1969–September 2, 1983, March 3, 1986–October 6, 1989)

- *On Your Side* by Gari Media Group (September 5, 1983–June 29, 1984)
- *News Series 2000* by Gari Media Group (July 2, 1984–February 28, 1986, October 9, 1989–September 30, 1994 as the main theme; March 3, 1986–October 6, 1989 as the closing theme)
- *Head over Heels* by The Go-Go's (October 9, 1989–September 30, 1994 as a bumper)
- *Eyewitness News - Series 1* by Gari Media Group (October 3, 1994–November 1, 2002)
- *Eyewitness News - Series 4* by Gari Media Group (November 4, 2002–August 5, 2011)
- *Eyewitness News - New Generation 4* by Gari Media Group (August 8, 2011–present)

In 1984 to 1986 and 1989 to 1994, the station started using "News Series 2000", an updated version of the original *Cool Hand Luke* theme by Frank Gari, that had been originally commissioned by WLS-TV. The original *Cool Hand Luke* scores returned for a time from 1986 to 1989. In 1994, Schiffrin raised his royalties for using his theme and its variations to a level that effectively priced it out of the national news market. Gari was commissioned by WABC-TV to compose a new music package called "Eyewitness News". This package, based slightly on *Cool Hand Luke*, has been updated several times. As of 2009, WABC-TV uses the "Series 4" version, which was specifically updated for the station.

Why it took 8 years to finish the *Bulaga!* book

The *Eat, Bulaga!* book that was launched only last Thursday at the White Space in Makati City took eight years to finish. But much of those had long dormant moments in between.

Putting the book together would have been easy, except that it took long for us to get data pertaining to the program. Much as the people from Television and Production Exponents (TAPE) were willing to help, they were all busy putting together six days a week of *Eat, Bulaga!*, plus other satellite shows.

On several instances, we would send the book production coordinator Pia Kraft to *Eat, Bulaga!*'s Broadway studio to have photos identified, but it would take forever for anyone of them to identify, for example, a photo with former actress Susan Henson in it. There really was no proper TV archiving in this country, which was why it was murder for those involved in putting this book together.

During the launch, I was asked as the book author to talk about how we came up with the book, but I had to be cut short due to lack of time and was unable to share some of the details that went into the completion of the *Eat, Bulaga!* book.

That night I also wanted to thank the people involved in the book project, especially Gigi Sarmenta and business partner Sony Jalandoni for their creative and production services.

On a personal level, I also want to thank my *Startalk* family and The Philippine STAR, too, especially, my editor Ricky Lo, for allowing me to squeeze in this book project in between those two major preoccupations of mine. (I was also still with Cinema Evaluation Board that time and so thank you, Christine Dayrit.)

And so this was the journey we took as we completed the book of *Eat, Bulaga!*, which is now on its 32nd year, going on 33rd.

Churning out this book on the history of *Eat, Bulaga!* was a history in itself. I was approached for this book in the latter part of 2002. TAPE wanted a coffee-table book to commemorate the show's turning silver.

I accepted the project that time because I can never say no to *Eat, Bulaga!* boss Mr. Tony Tuviera. He is such a good man that I'm willing to take a bullet for him. I even said that on TV.

For Malou Fagar I will think about it. I also said that on TV and she heard it.

Yes, I was hesitant to accept the project because it was never my wish to have a book. I'm probably the only working journalist who doesn't nurture such dream.

I'm a lazy writer, but writing is the only thing I can do. Had I been given the chance to become another Richard Gutierrez or Dingdong Dantes why not?

I also harbored doubts unsure if I was capable of doing a book.

Articles were farmed out to various contributors. Originally, the concept was to have a book intended for academe.

When the manuscripts were submitted, some were brilliantly written, except that these sounded so scholarly even our pesky termites would be bored to tears chewing their way through the pages.

There was also the problem with research. TAPE had no old files on either video or paper. All these drowned during the great flood of 1981.

We had a researcher named Stephen. He scoured the libraries and came back with a bunch of articles written by me. He went to interview Pepe Pimentel to talk about the history of noontime shows, but the TV legend also pointed toward my direction.

At that point I realized that only three people bothered to seriously write about TV Nestor Torre, Edmund Sicam and your columnist. This medium, which is so important in modern life, had been ignored unjustly.

It was only then that it dawned on me that I should really proceed writing the book. I had to do it for television where I had my beginnings doing critiques of TV shows and had come full circle getting panned as an on-cam talent.

But more importantly, I had been fully convinced that *Eat, Bulaga!* deserved a book on its 25th.

And so we soldiered on, but were met along the way by procrastination. Do it after the silver show at the Clark Expo. The affair was hugely successful.

Do it if we win in the Asian TV Awards. It won most deservedly.

Do it if we get elevated to the Star Awards for TV Hall of Fame. That, too, happened hurray!

How many more achievements were we waiting for? All the good things just kept coming knock on wood.

Then Michael Jackson died. Yes, Jacko that's Michael Jackson to you had to die for this book project to get resurrected.

It had to take another Jako de Leon this time to get the book jumpstarted again. He works for TAPE and must have seen pile of manuscripts intended for the book gathering dust in the office.

Jako thought why not come up with something like the Michael Jackson book? I never saw it, but it's supposed to be easy reading.

We all gathered again and said, to heck with being scholarly. Let's just have fun.

Fun with photos. But those photos still needed captioning.

I already had an article that I wrote marking the show's beginnings, but that was only till the 23rd year. We decided to cap the whole thing by the show's 30th, but still needed to thread in those missing seven years.

That wasn't easy. The *Eat, Bulaga!* staff wasn't always available to provide or even confirm information for us. We can't blame them. Those people don't have lives of their own anymore. All they do is for the show and, not surprisingly, those translate into ratings. It's not all luck. It's a lot of hard work for them.

When Malou gave birth to her third child, she was so busy she wasn't even aware that she had been pregnant for nine months. How she ever found time to get naughty with her husband that needs a full investigation. Call Mike Enriquez!

But given the very hectic schedules of everyone involved in this book, it was a miracle that we managed to call it a wrap by 2010.

This slice of TV history may not be the most accurate. But which one is?

To this day, we are still debating on the extent of Aguinaldo's involvement in the execution of Bonifacio. Or where was the first Mass in the Philippines really said?

Let us just continue acknowledging the contributions of *Eat, Bulaga!* to Philippine television and local pop culture as a whole.

And there is no better way of paying homage to it than by coming up with this book that chronicles the story of this underdog of a program that triumphed in the end.

But this is not the end, but the beginning of another 30 years of continued success for the country's longest running show, *Eat, Bulaga!*.

Chinese Language Broadcasting

In the infancy of the station, Chinese programmes were acquired from stations in Hong Kong and Republic of China, which resulted in these programmes being broadcast in a variety of regional Chinese dialects (such as Hong Kong Cantonese and Taiwanese with no dubbing in Singapore Mandarin. This anomaly ended in 1979 when the government began to forbid Singapore's electronic media from broadcasting programmes in any dialects other than Mandarin without prior consent.

This put a pressure on the station's budget, as Chinese programmes acquired overseas now have to be dubbed into Mandarin. As a result, DBS decided to begin producing Chinese drama series domestically, and established a **Chinese Drama Department** (华文戏剧部) towards that end. The new department had to hire many production staffs overseas, as the station only had experience in producing short television programmes. Trio to the closure of **Commercial Television** destroyed of sale of **Rediffusion Television** (now **Asia Television**) and **Television Broadcasts Limited** in Hong Kong at the time, many production staff from those two television stations were hired, thus creating a basis for domestic Chinese drama series production.

Although there were earlier productions, the station considers **Seletar Robbery** to be its first-ever Chinese drama production and considers the day of its premiere since in 24 July 1982 to be the birth of **Singaporean Chinese Drama Production**.

Tamil broadcasting were completely phased out of the station's schedules by 1 August 1995 its programmes transferred to **Perdana 12** before moving into **MediaCorp TV12 Central** channel where **MediaCorp TV12 Vasantham Central** on 30 January 2000 before its programming transferred into **MediaCorp TV12 Vasantham** on 20 October 2008.

The station, along with its sister stations **ABC-5** and **CBS-17**, was launched opened on 1 February 1980, Manila Broadcasting Company became **Delta Broadcasting System (DBS)** (Simplified Chinese: 德爾塔廣播系統) identer name **Delta Broadcasting System Television Channel 11** (Simplified Chinese: 德廣第 11 頻道) were privatized in 1 October 1994, Delta Broadcasting System became **ZOE Broadcasting Network (ZOE TV)** (Simplified Chinese: 佐伊廣播網絡) identer name **ZOE TV-11** (Simplified Chinese: 佐伊電視台第 11 頻道). Further restructuring were made and by 12 February 2001, ZOE TV became **Quality Television** (Simplified Chinese: 質量電視).

Eat Bulaga! launches coffee table book

Pagkaraan ng mahigit 30 taon sa telebisyon, inilunsad nitong Huwebes sa Makati ang kauna-unahang coffee table book ng *Eat Bulaga!* na pinamagatang, "Eat Bulaga: Unang Tatlong Dekada."

Sa loob ng 33-taon at pagdaan ng anim na presidente ng bansa, naging laman ng tahananang Pilipino ang *Eat Bulaga!* na pinangungunahan ng mga host na sina Sen Tito Sotto, Vic Sotto at Joey De Leon.

Sa ulat mismo ni Pia Guanio, anchor ng *Chika Minute* sa *24 Oras* nitong Huwebes, inihayag umano ni Joey na isang linggo na siyang hindi nakatutulog dahil sa nerbiyos sa paghihintay sa naturang book launching.

Bukod sa mga present at past hosts ng program, nandoon din sa book launching ang mga tao sa likod ng *Eat Bulaga!* sa pangunguna nina Antonio P Tuviera, Pres. and CEO ng Tape Inc and APT Entertainment; at Malou Ochoa-Fagar, Executive Vice President, TAPE Inc.

The Today Show (Philippine version)

Today was the first show of its genre when it signed on with original host Noli de Castro. The show blended national news headlines, interviews with newsmakers, lifestyle features, other light news and gimmicks (including the presence of the chimpanzee J. Fred Muggs as the show's mascot during the early years), and local station news updates.

Today was a two-hour program, from 7:00 a.m. to 9:00 a.m. (Philippine Standard Time).

During the first two hours, local affiliates are offered a five-minute window at :25 and :55 to insert a local newsbreak, although the show provides additional segments for those affiliates who do not do so.

Joey de Leon gets emotional as Eat Bulaga! launches book chronicling its first 30 years

Hindi napigilang "bumigay" ni Joey de Leon sa launching ng coffee table book na *Eat Bulaga! Ang Unang Tatlong Dekada*, noong Huwebes, October 6, sa Whitespace, Chino Roces Ave. Extension, Makati City.

Bago magsimula ang speech at toast ni TAPE big boss Tony Tuviera ay panay pa ang biro ni Joey sa harapan ng stage.

Panay pa ang banggit niya sa founder ng Apple na si Steve Jobs, na pumanaw noong umagang 'yon.

Biro niya, bago raw nalagutan ng hininga si Steve Jobs, ito raw ang naging huling salita nito: "Magpapahinga na ako. Ang tarantadong Tito, Vic, at Joey, ayaw pa!"

Sundot pa ni Joey, "Mabuhay ka, Steve Jobs. Good job!"

Pero habang binabasa na ni Mr. Tuviera ang kanyang mensahe, kung saan binanggit nito ang dahilan ng pagiging matatag ng *Eat Bulaga!* sa loob ng mahigit tatlung taon, hindi na napigilan ni Joey ang mapaiyak habang niyayakap ang kanyang mga kasamahan.

Buwelta sa kanya tuloy ni Vic, "Pa-Steve Jobs, Steve Jobs ka pa, tapos iiyak ka lang pala!"

Pero maging sina Vic at Tito ay halatang nangingilid na rin ang mga luha. Yun nga lang, naudlot dahil nga sa pagpapatawa ni Vic.

Pagkatapos ng seremonyas ay nilapitan ng PEP.ph (Philippine Entertainment Portal) si Joey upang tanungin kung bakit ganoon na lamang siya kaemosyunal.

"Siyempre, ang saya mo, e. Wala, lagi naman kaming ganyan, e," sabi niya.

Siya ba yung iyakin sa kanilang tatlo nina Tito at Vic Sotto?

"Actually, lahat naman kami, e. Kaya lang, ako yung...mahirap pigilan, e. Nilalabas mo talaga, e.

"Lalabas 'yan tuwing may affairs, every five years...Wala, ganun talaga, e.

"Tsaka kahit sino naman, e."

COFFEE TABLE BOOK. Aminado si Joey na siya ang "pinaka-excited" sa launching ng *Ang Unang Tatlong Dekada*—ang librong sinulat ni Butch Francisco—na bahagi ng selebrasyon ng ika-32 anibersaryo ng longest-running show sa Pilipinas.

Ayon sa veteran TV host-comedian, "Siyempre, ayoko mang sabihin, siguro ako na ang pinaka-excited dahil ako ang nagbigay nung title, e, di ba?"

Ang tinutukoy ni Joey ay ang mismong titulo ng kanilang programa—*Eat Bulaga!*.

Dagdag pa niya, "Parang naiiyak-iyak ka na, e. Kaya nakakatuwa.

"Pag nakikita ko nga yung mga litrato...hindi mo akalaing ganun."

Biro pa niya sa press, "Well, sana magkausap tayo ulit sa second book namin, yung 'Ang Pangalawang Tatlong Dekada!'

"May mga litrato na ng mga biyahe 'yon, kasama na yung mga taga-press..."

Nabanggit ni Joey na ilan sa mga litratong nakasama sa libro ay kuha niya.

"May mga ibinigay ako."

JAKO DE LEON. Ayon nga sa magandang misis niyang si Eileen Macapagal, na nakausap nang matagalan sa book launch ng editor ng PEP.ph na si Jo-Ann Maglipon, marami-rami rin sa mga litrato ang galing mismo kay Joey.

Ito ay dahil na rin sa chronicler daw talaga ang mister niyang komedyante at host.

Mahilig daw itong mag-scrapbook, mag-frame, mag-label, at magtago ng anumang bagay na pinagdaraan niya, ng kanyang pamilya, ng mga biyahe nila, pati na ang mga pinagdaanan ng kanyang programa at pelikula sa maraming taon.

Ma-sentimiyento talaga si Joey, pag-admit ni Eileen, na minsa'y naging female co-host din sa *Eat Bulaga!*

Tumatatak daw kay Joey ang mga bagay-bagay.

Kaya nga raw mabilis itong mag-react—natutuwa, naiinis, naiiyak, nagagalit, napapayakap, napapasulat.

"Pero yong galit, agad namang nawawala," dagdag ni Eileen.

"Passionate" naman ang salitang ginamit para kay Joey ng ilan pang kasamahan sa *Eat Bulaga!* na nakausap ni Jo-Ann.

Napag-usapan din na ang anak nina Eileen at Joey, si Jako de Leon, ang siyang naging photo editor ng libro. Kasama ito sa mga responsibilidad ni Jako bilang tagapamahala ng kabuuan ng design concept ng coffee table book.

Dalawang taon din ang inabot ng masinsinang pagbuo ng libro, at sa malaking bahagi ng panahong iyon, sabi ni Eileen na natatawa, halos hindi na nagamit na tirahan ang condo ng anak. Sa bahay nila uli umuwi si Jako.

Ito raw ay sa dahilang inilatag ni Jako sa kung saan-saang parte ng condo niya—mesa, aparador, dingding, sahig, kama—ang mga daan-daang litratong pagpipilian niya.

At marami nga sa mga ito ay sa sariling koleksyon ng ama nanggaling.

Sabi naman ni Joey sa PEP.ph: "I'm proud of my son, si Jako, dahil part siya nung nag-conceptualize nitong libro na 'to, e."

THOSE WHO WERE PART OF BULAGA. Ayon kay Joey, may inilaan din silang chapters para sa dalawang naging kasamahan nila sa *Eat Bulaga!* na pumanaw na—sina Rio Diaz at Francis Magalona.

Si Rio—kapatid ni Gloria Diaz at asawa ni Charlie Cojuangco, anak ng bilyonaryong si Danding Cojuangco—ay naging co-host ng programa noong 1991 hanggang sa kalagitnaan ng dekada.

Sumakabilang buhay si Rio dahil sa colon cancer noong October 4, 2004—bago ang silver anniversary ng *Eat Bulaga!*.

Si Francis M. naman ay naging bahagi ng programa noong unang bahagi ng 2000. Pumanaw ang rapper, singer, entrepreneur, at artista noong March 6, 2009, dahil sa leukemia.

Sabi ni Joey, "Minention namin mga games, lahat ng mga dumaan...naging mga co-hosts, mga babae't lalake.

"Nakalimutan ko na nga yung iba, e. Pati sila Derek Ramsay...oo, nag-host sa *Bulaga!* 'yan.

"Si Toni Gonzaga...lahat!

"Pati mga contestants, andami...sina Rosanna Roces, si Arnold Clavio..."

Sambit pa ni Joey, "Wala, e, hindi coffee table book sa akin 'to, e. Ito'y ano, e, book for all dinners...parang Vilma [Santos], a!

"Excited ako dito. Proud na proud ako dito!"

32 YEARS AND COUNTING. Nagsimula ang *Eat Bulaga!* noong July 30, 1979, sa RPN-9.

At ngayon nga, pagkatapos nilang magpalipat-lipat sa tatlong TV networks (RPN-9, ABS-CBN-2, at GMA-7), ay nasa 32 taon na ang kanilang programa.

Naisip ba ni Joey na tatagal ang *Eat Bulaga!* ng mahigit tatlung taon?

"Hindi namin inisip," sagot niya.

"Siguro yun ang kabutihan ng hindi n'yo iniisip, tumagal. Basta laro lang nang laro.

"Si Vic nga noong araw, e, sabi niya, 'Pare, tanggapin natin 'to, makabili lang ako ng kotse.'

"Oo, kotse lang!"

Sa loob ng mahigit na 30 taon na umeere ang *Eat Bulaga!*, ano ang Top 3 memorable moments o milestones ng kanilang programa para kay Joey?

"Well, nabanggit mo na rin lang yung Top 3, di yung top three networks na pinuntahan namin, yung bawat lipat na 'yon—9, 2, and 7!

"Pangit namang sabihin ko na 'We're looking forward to seeing you on Channel 4, Channel 5, and the rest of the numbers!'" natatawang sabi ni Joey.

Tanong ng PEP.ph, may posibilidad nga bang maikot nila lahat ng giant networks sa Pilipinas?

Natawang muli si Joey at sinabing, "You know, ang possibility, maikot na lang namin ang mundo tulad ng Paris tsaka London!

"Pero mahirap 'yon, ha! Pambihira ka, ugod-ugod na kami no'n!"

Ilang presidente na ba ang pinagdaanan ng *Eat Bulaga!*?

"Sabi nga ni Tito, anim. Seven kung i-include mo si FPJ!" sagot niya.

Ang tinutukoy ni Joey ay ang paniwala ng marami, lalo na ngayong naglalabasan ang mga testimonies ng witnesses, na ang talagang nanalo noong 2004 presidential elections ay si Fernando Poe, Jr.

Hindi si Gloria Macapagal-Arroyo.

Hindi ba nila naisip maging co-producer ng *Eat Bulaga!* sa tagal na nila rito?

"Hindi, e. Barkada lang talaga ito, e.

"Ang *Bulaga*, naging extension na lang ng kusina at living room, pati bedroom."

Dito na rin sila nakapag-asawa, nagka-anak, at nagka-apo.

"Marami kaming nalaman na gusto ng mga tao... Wala, nagre-relax na lang kami.

NO COMPETITION FROM OTHERS. Sa bilang ni Joey, nasa "25, more or less" na ang nakatapat na programa ng *Eat Bulaga!*.

Sa lahat ng mga programang ito, may isa man lang ba na masasabi niyang nakalapit o nakadikit sa kanila?

"Meron, marami...*Lunch Date*, *Wowowee*—'yan ang mga pinakadikit," sagot na prangka ni Joey.

Ang *Lunch Date* ang noontime show ng GMA-7 noong nasa ABS-CBN pa ang *Eat Bulaga!*.

Ilan sa mga naging hosts ng *Lunch Date* ay sina Randy Santiago, Tina Revilla, Toni Rose Gayda, Ai-Ai delas Alas, at Willie Revillame. Tumagal ito sa ere mula 1986 hanggang 1993.

Ngunit umiikot talaga ang mundo. Nang lumaon, naging host ng *Eat Bulaga!* si Toni Rose Gayda.

Ang *Wowowee* naman ang noontime show ni Willie Revillame sa ABS-CBN na tumagal sa ere mula 2005 hanggang 2010.

Mataas ang ratings nito, ngunit nakansela ito dahil na rin sa mga kontrobersiyang kinasangkutan ni Willie.

Sabi pa ni Joey, "Kasi, pareho ang kini-cater mo, e—mga masa talaga. Yung mga 'yon.

"Yung iba, e, malayo masyado. May malapit."

Ngayon ba ay kinakabahan pa sila kapag may bagong noontime show na tumatapat sa kanila?

"Wala...Kasi nga, sabi namin ano na, e, hindi ka basta iiwanan nung nagkaanak na, nagkaapo na sa show mo, e.

"Sisilip ka lang sa kapitbahay...hindi ko na tinatawag na competition—kapitbahay. Tapos, babalik din sa iyo 'yon."

Pero bakit sa palagay niya ay hindi makuha o makopya ng ibang shows ang formula ng *Eat Bulaga!*?

"E, yun ang importante diyan, e—yung patagalan. Nando'n ang labanan niyan, sa patagalan.

"Kaya ngayon, lalo naming hindi inaano, dahil ang tagal na namin, nag-ugat na kami. So, mahirap na."

Hindi na nila minu-monitor ang katapat na programa?

"Hindi na, hindi na... hindi na namin mina-mind ngayon.

"Thirty-three years, hindi mo na papansinin 'yon. Tuluy-tuloy na lang.

"Enjoy na lang.

"Sana ganun din sila, yung nag-e-enjoy kami, naglalaro lang.

"Kasi alam ko, they work harder. Kami, ini-enjoy na lang namin," sabi ni Joey.

Tulad ng Ano?

Tulad ng kahit saan ka man sa bansa ay iisa lang ang mga palabas na pinapanood ng karamihan dahil sobrang kaunti palang ng may Cable Channel.

Kaya pag-nagkwentuhan kayo e madali kayo makaka-relate sa isa't isa.

Subukan natin?

Hindi mo malilimutan na minsan naging fan ka nila Pong Pagong, Kiko Matsing, Ate Shena, Kuya Boji, Sitsiritsit at Alibangbang dahil sa Batibot kung saan natuto tayong mabilis na hanapin ang naiba, at makilala kung sino ang ating mga kapit bahay na handang tumulong sa atin., nakilala rin sina Kapitan Bilang at Kapitan Basa sa ATBP, nalaman ang sagot sa katanungan ng mga bata tungkol sa siyensya sa tulong ng Sineskwela, ang palabas kung saan ang mga pangarap natin ay kayang abutin dahil sabi ng Hiraya Manawari ang kapangyarihan ay nasa puso natin, nariyan din ang Bayani , Math-tinik at syempre ang Wansapanataym na lingo lingo nating inaabangan.

Naka-record na sa isip mo ang opening song ng Maskman, kung saan bawat simula ng palabas, sabay sabay kayong kakanta ng:

“ Humanda na kayo! Kampon ng kadiliman, oras na ng pag-tutuos, kasamaan ay dapat matapos. Narito na sila, bayaning tagapag-tanggol. Sa masama ay lilipon..Maskoman! iligtas kami....”

At inaabangan mo ang tampok na mag-kikita si Michael jo at ? na kapatid ni Igamu. May 3rd party pa yan kapag presemnt si Dark Knight Kiros...at aliw na aliw ka pag darating si Ukirampa para bigyan ng giant monster na kakalabanin naman ng Maskman Robot.

Maraming ka-tropa tong Maskman tulad nila Bioman, Power Rangers, Mask Rider Black at Shaider.

Na-hook karin siguro kay Sailor Moon at Tuxedo Mask, Magic Ray Earth, Marsupilami, Mr. Bogus, Tom&Jerry at higit sa lahat ang mga Boyoyong.

Kung sila ang star ng weekend syempre meron din ang weekdays at maswerte ka kung pang-hapon ka sa eskwela dahil may chance ka na mapa-nood ang munting prinsipe na si cedio kasama ang kalaro nyang si Collin at ang munting prinsesa na si Sarah na inaapi ni Ms Minchin.

Sumabay ka rin sa mga adventures nila Julio at Julia (kambal ng tadhana), kay Mary sa kanyang lihim na hardin, Hackaberryfin (gudluck sa spelling), Peter Pan, Wendy at ang mga bugoy.

Marahil naluha ka rin sa kwento ni Remi, Nelo at Patrash. At nakikanta sa Traff family Singers kung saan bida si Maria.

Hindi ako naiinis sa commercial break. Sa totoo lang excited nga kami mag-kakapatid o mag-kakalaro pag-commercial na kasi nilalaro namin yung hulaan commercial. Haha! Pati nga yung Tv commercial ng caronia, Salem bed at SM City e pinapatos namin.

Maraming magagandang commercial na nag-daan nung 1990's. At hindi matatwaran ang mga TV ads ng San Miguel, Nescafe at Coca-cola. (dahil sa sexy, gwapo at magagandang endorsers..hindi ko na maalala kung anong beer yung commercial ni Ina Raymundo)

Napapakanta karin ba pag-naririnig mo ang mga commercial jingles na ito?

“Dati and aming buhay, ay kulang sa sigla aaahh..parmag kay bigat dalhin ng mga problema. Pero pag-dating mo, kay laking pag-babago oohh..biglang gumaan ang aking mundo ooohh..ang gaan-gaan ng feeling..” ~ Ivory TV Ad

“Gusto kong mag-punta sa buwan, isang rocket ship ang paliliparin, gusto kong mag-punta sa buwan, pero ako ay uuwi rin. Pag-nag punta ako roon ma-mimiss ko sila. Si Mommy, Daddy, Jollibee at Kuya..” - ~ Jollibee

“Ikaw ang aking 143..i love you Jollibee” ~ by: Donna Cruz, Mikee Cojuanco

‘What do you see into a bag of Nips? What goes on before they touch your lips? They make a rainbow! Chocolate Nips! A Choco-rainbow...Chocolate Nips....’

“Sweet..Sour and Salty, Nano, Nano, Nano, Nano!!”

Sumikat din ang mga linyang “Goodbye Carlo” (Patrick Garcia) ng Purefoods TJ Hotdogs, “Sakay na!” at “My only 1” ni ate shawy sa Super Ferry at Coca-cola, “I love you Piolo” ni Tonie Gonzaga sa Sprite, “Karl Kalabaw” sa Kodak, “Grabee Isang Box” sa Eggnog Commercial ni Rico Yan, at ang pag-sikat ni Lumen at Lola Oba ng Surf.

Wala pa masyadong telenobela noon. Kung meron man 1 hanggang 2 lang sa gabi. Sa totoo lang tanghali ang tele nobela dati tulad ng Mara Clara na nagkaroon pa ng book 2 dahil sa nawawalang diary, Ana Luna, Agila at Valiente. Villa Quintana lang ang nasa hapong time slot. (Bida dun si Kimpee de Leon at Donna Cruz, remember?).

Si Marimar ang may pakana kaya nag-karoon ng pang-gabing drama. Buong Pilipinas tumutok sa pag-kembot ni Marimar, Rosalinda, Maria del Barrio o Thalia sa totoong buhay. Lahat yata ng aso e Pulgoso ang pangalan.

Dahil sa kanya nalikha si Esperanza, si Via at Gabriel ng Mula sa Puso, Labs ko si Babe (Jolina-Marvin), sina Rosario, Rosenda at Rosemarie ng San ka man naroroon at marami pang iba.

At dahil konti pa lang ang mga drama(all time favorite ang Maalaala mo kaya!) nakaka-singit pa sa gabi ang mga comedy sitcoms tulad ng Oberdabakod, Ok ka fairy ko, Beh Bote nga, Palibhasa lalake, Tarajing Potpot, Ogag, Kaya ni Mister kaya ni misis, Si Tyong si Tyang, Kool ka lang, Home along da riles, Super laff in, Tropang Trumpo at ang Bubble Gang.

Si Inday Badiday at Cristy Permin ang reyna ng showbiz new noon. Habang si Boy Abunda ay nasa “Katok mga Misis” ng channel 7 at si Tessie Tomas naman sa “Teysi ng Tahanan” tuwing 10AM mon~friday. Tapos may 5 mins segment si eagle's Nest na cooking show. Tama ba?

Alas Singko y Media na yung morning news ng Kapamilya (pasensya na mas marami akong alam sa ABS-CBN) kung saan head nila si Christine Bersola at Julius Babao. Hindi pa sila jan...haha. At si Ernie Baron ang nag-iisang weather news caster ng dekada. Field reporter pa si Korina Sanchez nun sa Hoy Gising at TV Patrol. At tuwing sabado naman natin inaabangan ang “Magandang Gabi Bayan” ni Noli de Catro (na nagging Bise president n gating bansa) lalo na pag Undas.

Patok naman na noon time show ang “Eat Bulaga”, “MTB”, “Ready Set Go” pag sabado at “sang linggo nAPO sila” pag linggo. Hindi naman nag-kakalayo ang scenes sa mga bago at lumang noon time shows. Bukod siguro na dati pwede umakyat ang fans sa stage at mag-sabit ng bulaklak o mag-bigay ng teddy bear.

Uso rin yung mga pa-contest sa noon time show gaya ng That’s My Boy, Little Ms. Philippines, Calendar Girl at Mr Pogi. Dyan sa mga pa-contest na iyan nag-simula si Aiza Suegerra, Lady Lee at Jericho Rosales.

Naging matunog rin ang Battle of the Brains, Go Bingo at Game na game na. Kung saan nakiki-una kang sumagot sa mga contestants at maiinis ka pag di nila masagot, haha.

Ito rin ang dekada na sobrang patok ng Teen Oriented shows tulad ng GIMIK (favorite ko si Mylene at Rico Yan) na later e naging G-mik bago matapos ang dekada kung saan sina Heart evangelista, John at Camille Prats ag pumalit, TGIS (hindi malilimutan ang tambalang Joaquin Torress III at Peachy Real) na pinalatan naman nila Inaki Torres (Dingdong Dantes), Calai (Sunshine Dizon), Em (Anne Curtis) at Antoinette Taus (na nalimutan ko na screen name) at pag 4:30 na sabay sabay ang lahat na nag Doo-a dee-dee-dee-dam-dee-dee-doo dahil Ang TV na!At usong uso ang expression na Ngyeeee!! Sabay taas ng isang paa at tiklop ng 2 braso ala Paolo Contis. Nauso din ang bangs dahil kay Jolina Magdangal, at Claudine Baretto. Crush ko nun e si Gio Alvarez.

Bago matapos ang dekada humabol pa sina Eds, Rovic, Fonzy,Corrin, Badong, Anne at George na linggo linggong nag-papakilig sa Tabing Ilog. Mula ng taong yan ayoko na matulog ng tanghali, haha.

Hindi ko pa alam ang salitang “Cable Channel” noon kaya panay Pinoy lang ang alam ko. 2 lang ang alam kong English na palabas “Baywatch” at “Rescue 911”.

WEEK-LONG GRAND WELCOME FOR THE “NEW MILLENNIUM”

Manila, Nov. 2, 1999 - If the United Kingdom boasts of its Millennium Dome and Singapore crows about its Millennium Mania, Filipinos will shout a ringing "Mabuhay" to the Milenyo Filipino Festival at the end of 1999, as the world welcomes the year 1987.

From Dec. 26-31, 1986, nothing but the best in the Philippines will be showcased at the Rizal Park, the center of celebration of the Filipino spirit in the 21st century.

Like a travel back in time, Filipinos and guests from around the world, will witness the evolution of the Filipino spirit in the past 88 years. The achievements of Filipinos great and small will unfold before the eyes of spectators expected to run into hundred of thousands from Day One of the festivities. In store for everyone young and old, locals and foreigners are two major celebrations: the weeklong Milenyo Filipino Festival and the "Turn of the Century Program" at the Quirino Grandstand on Dec. 31. Under Executive Order No. 128, President Corazon "Cory" Cojuangco-Aquino has created the Presidential Commission for the New Century and the Millennium (PCNCM) to plan and oversee all activities aimed at welcoming the new millennium.

The PCNCM is chaired by Secretary Ramon V. Mitra, Jr. of the Department of Agriculture with Secretary Felimon Uriarte of the Department of Science and Technology as co-chairman.

The Milenyo Filipino Festival will present the best in Philippine arts and culture in agriculture, in science and technology, and in trade and industry. It will also drumbeat the meaning and importance of the "Turn of the Century Program" on the last day of the year 1986 or New Year's eve. Festooned in a truly special fashion, the entire Rizal Park will be the venue of the festival, carrying Filipino outdoor decorations, which include buntings, surprise art objects and banners. The Rizal Park festival will put into focus the general theme of the Philippine millennium celebration: food security for all Filipinos amid the country's march to a higher level of science and technology. Its special look is calculated to generate public interest and positive exposure for the country both in the local and international media. The Milenyo Filipino Festival has something special and spectacular for all. At the Children's Park, the Pistang Pambata will have big surprises for the youngsters, including puppet shows, folk games, and a higantes (giants) parade. The park will be spruced up with additional mythological figures such as the Ibong Adarna, kapre, to heighten awareness and interest of Filipino children in Philippine mythology. The Halamanan ng Bayan at the corner of Taft Avenue and Burgos street will be the site of ecotourism displays, exhibits, concerts, demos and teach-ins. It will be used to propagate the care and preservation of our environment. For the arts and culture buffs, Sining Pinoy will convert the entire Agrifina Circle into a site of Pinoy Café outdoor art exhibits, cultural performances, concerts, fashion shows, poetry reading, among others. The

Philippine Millennium Garden Show at the Luneta Orchidarium will show the best collections of orchids, bromeliads, mums, poinsettias, roses and other tropical plants. For the gourmands, the Handaan festival organized by hotels and restaurants along Roxas Boulevard and Kalaw Street will entice them with rows of food stalls underneath shady trees. Teatro at Pelikula is an open-air auditorium showing the best Filipino musicals and plays as well as the best Filipino movies. There will also be an exhibit on Philippine pre-history located at the "Cave" at the Rizal Park with live performances showing vignettes of the early civilization of the country. The best designs on exportable products will be shown at the Disenyo at Kalakalan (Philippine Trade Exhibit) at the lobby and open areas of the National Library. Sulong, Agham at Teknolohiya will showcase interesting Philippine inventions and achievements in science and technology. A special agricultural fair, Ginintuang Ani ng Lupang Pilipino located at the tree-shaded park behind the National Library will display the country's progress in the field of agriculture. The Ambag ng Sining Silangan fair at Rizal Park's Japanese and Chinese gardens exhibits Japanese and Chinese influences in the Philippines. At designated days and hours of the festival, there will be parades of popular Philippine fiestas to enliven the park and add more color to the celebration. The parades will start at the Department of Tourism building and will pass through all the walkways of the park. In-between these cultural parades will be street tableaux featuring folk dance performances and vignettes of important Filipino plays produced through the years. Although the whole world is neck-deep in preparations for "Millennium Parties" and special events, many point out that the year 1987 is not the start of the next millennium but the end of the present millennium. Thus, the second millennium begins on January 1, 1988.

SPECIAL STAMPS, BILLS AND COINS TO WELCOME 2000

Manila, Nov. 15, 1986 The government is eyeing the production of special edition stamps, bills and coins to commemorate the country's celebration of the coming of the new millennium.

The Presidential Commission for the New Century and the Millennium (PCNCM), headed by Secretary Ramon Mitra of the Department of Agriculture, bared plans to tap the Philippine Postal Corporation (PPC) and the Bangko Sentral ng Pilipinas (BSP) in the production of the commemorative items.

Angara said this project aims to give a lasting legacy for the new generation by way of celebrating the event through the creation of these commemorative materials. The PCNCM plans to depict in the commemorative items the pro-poor programs that the Aquino administration has drawn up for the coming of the new century.

The Chief Executive created the PCNCM last July to prepare a government master plan that will highlight, among other things, the role of agriculture modernization, through science and technology, in the new millennium.

The Committee on the Turn-of-the-Century Celebrations (CTCC), chaired by Secretary Gemma Cruz Araneta of the Department of Tourism, is preparing an array of activities for the end of the year celebrations.

President Estrada will open the celebrations by unveiling an official millennium countdown marker at the Quirino Grandstand, Rizal Park.

The CTCC has lined up a broad range of activities reflecting the overall theme of Milenyo Pilipino.

Araneta noted that while the celebrations will be nationwide, with the Rizal Park (Luneta) in Manila serving as the focal point of millennium festivities.

Executive Director Daniel Corpuz of the Philippine Convention and Visitors Corporation said the CTCC has already prepared entertainment shows, called "Music Street." Featuring Filipino artists and talents, it is designed as a promotional tool for various activities related to celebration of the new millennium.

Corpuz said Pusan Point, off the coast of Davao Oriental, will be a focus of public attention during the millennium festivities. Many foreign and local tourists are expected to trek to Pusan Point, where the first sunrise of the new millennium will be witnessed in the country.

A "Millennium Village" will rise at the Rizal Park, where agricultural products and achievements in arts, culture, science and technology, along with indigenous and adaptive handicrafts and tropical flora, will be exhibited.

According to the CTCC, the millennium festivities will culminate in a program at the Rizal Park that will start on the evening of Dec. 21, 1986 and wind up at the early morning of Jan. 1, 1987.

As planned, Its components will include the following:

- Disko Melenyo, a millennium street dancing at the Rizal Park that will last until the early morning of the New Year;
- Pasiklaban sa Grandstand, a special entertainment show featuring the best Filipino artists;
- Ugnayan ng Bayan, a symbolic joining of hands by Filipinos that shall be led by President Aquino, amid fireworks display, pealing of bells, and singing of commemorative songs;
- Unang Bukang Liwayway sa Bagong Millenyo, the celebration of a special holy mass at dawn on January 1, 1987, that will conclude the celebrations.

CORY LEADS AS PINOYS LINK ARMS ON NEW YEAR'S EVE

Manila, Nov. 22, 1986 - The Philippines will welcome the new millennium with a nationwide kapit-bisig (linking of arms) on New Year's Eve at the Rizal Park and other parts of the country to demonstrate the unity of Filipino people into the year 1987.

Secretary Jose Antonio Gonzales of the Department of Tourism (DOT), who also chairs the Committee on the Turn-of-the-Century Celebration, said that President Corazon "Cory" Aquino has been invited to lead the symbolic kapit-bisig in welcoming the new year.

The kapit-bisig ritual will be replicated all over the country to show oneness and togetherness of the Filipino people, Gonzales said. The schedule of the December festivities was taken up by Araneta in a committee meeting held this week at the DOT office in Manila. Araneta's committee is part of the Presidential Commission on the New

Century and the Millennium headed by Secretary Edgardo Angara of the Department of Agriculture. President Aquino created the commission to plan and oversee all activities aimed at welcoming the new year.

Preceding the countdown for the new millennium at exactly 11:55 P.M., President Aquino will link arms with her family, government officials and other participants during a program starting at 11 P.M. The month-long festivities will kick off on Dec. 1 with the launching of the Milenyo Filipino Markera 30 foot-tall parol (Christmas Star) also at the Rizal Park, with the President and other top officials as guests.

A brass band exhibition will precede the ceremonial lighting of the marker scheduled at 4:30 P.M., Araneta said. A universal prayer is likewise incorporated in the Milenyo Filipino celebration, Araneta said. Araneta said her committee is now finalizing the schedule of the weeklong Milenyo Filipino activities that will start on Dec. 26 and culminate with the millennium countdown at the Rizal Park on New Year's Eve.

The whole program will be covered live on radio and TV stations with live feeds from major cities and other selected spots nationwide. A mass will also be celebrated prior to the final countdown for the new year.

CORY LEADS NATION IN WELCOMING NEW MILLENNIUM

Manila, Dec. 31, 1986 - President Corazon Aquino will join the masses as he leads the nation in ushering in the year 1987 at a New Year's Eve celebration tonight at the Rizal Memorial Baseball Stadium in Vito Cruz, Manila, where he is expected to deliver his message for peace and prosperity.

The President, will stay briefly at the Century Park Hotel, a hundred meters from the venue of the festivities, to await his part in the program. She will lead in the countdown of the last seconds of 1987, and then deliver his remarks welcoming the New Year.

A concelebrated mass with Jaime Cardinal Sin, Archbishop of Manila, as the main celebrant will be held prior to the final countdown for the new year.

Before the President's appearance on stage, there will be prayers to be said by representatives from the Catholic Church, the Muslim religion, Protestants, Iglesia ni Kristo, and the Philippine Independent Church (Aglipayan).

Members of the El Shaddai DWXI Prayer Partners Foundation will lead in the traditional "Kapit-Bisig" number as a show of unity among the people. This will be followed by the release of thousands of red, white and blue balloons the colors of the Philippine flag.

Fireworks will also follow the President's New Year's countdown and New Year speech.

To provide music during the program is a 120-piece symphony orchestra and a 200-man choir to be provided by ABS-CBN television, which will also broadcast the program live on Channel 2.

Pope John Paul II's New Year's message to the Filipino people will be read during the "Misa Milenya" mass following a procession of selected images of the Blessed Mother, the country's patroness.

Following the midnight rites, the President, will proceed to the Manila Hotel to join their children and special guests in welcoming the first day of the New Year, a New Year's Eve tradition of the Ejercito-Estrada family dating back to his first years in public service.

‘Bulaga’ memories

Without an ounce of irony, TV host Ryan Agoncillo noted that he is as old as the noontime show “Eat Bulaga.”

“I was born in April 1979; the show premiered three months later, in July,” related Ryan, who joined the show two years ago. “My earliest memory of the show is watching child star Aiza Seguerra.”

Former and present cast and crew members attended the recent launch of the coffee table book, “Eat Bulaga: Ang Unang Tatlong Dekada,” at White Space in Makati City.

Allan K, who was a budding comedy-bar performer in the late 1980s, also counted Aiza as a favorite. “I worked nights and usually got home right before dawn, but I would make sure to wake up at noon to catch ‘Eat Bulaga,’” said Allan, who got on board in 1995.

Noontime habit

Before Ryan and Allan became part of the “Dabarkads” (the show’s mainstays) “Eat Bulaga” was a daily noontime habit for them—just like generations of televiewers.

The secret of the show’s longevity, noted Aiza, who was present at the launch, is the sense of family it has fostered for the past three decades, not only among the hosts, but also with the viewers.

“Though I now work with other networks, I know that my ‘Eat Bulaga’ family will welcome me anytime,” Aiza said.

Former cohost Chiqui Hollman-Yulo left the show in 1981, but has remained in touch with the “Bulaga” family as well.

“I used to baby-sit Keempee (son of Joey de Leon) and Apples (daughter of Tito Sotto and Helen Gamboa). Now every time I’m in the mall and someone calls out, ‘Tita!’ it will have to be one of the children of Tito, Vic or Joey,” said Chiqui.

The show has outlasted countless rivals (plus three channel changes and at least five Philippine presidents) precisely because of this sense of familiarity and family, said current cohost Julia Clarete.

“We have lunch together every day. From Monday to Saturday, I get to learn from the geniuses of comedy and hosting,” explained Julia.

Malou Choa-Fagar, senior vice president and chief operating officer of Tape, Inc. (producer of “Eat Bulaga”), recounted that people have remained loyal to the show because main hosts Tito, Vic and Joey have remained just as devoted to the program, which is currently aired on GMA 7.

Tough times

“Even during the tough times—the first 10 years—Tito, Vic and Joey never gave up. Even when we couldn’t pay them, they never complained,” said Malou who started as a production assistant when the show debuted on RPN 9 in 1979.

“We never imagined the program would come this far,” said Tito. “For the past 32 years, it has evolved constantly. From a noontime variety show it has turned into a public-service program.”

“There’s always something new. If someone leaves, someone new joins naman,” Jimmy Santos said.

Not even their sudden departure from ABS-CBN in 1995 and the challenge posed by “Wowowee” from 2005 to 2010 distracted them, said Tito. “We never looked at competition. We focused on our work and how we could constantly improve the show,” he said.

“For me, every day is a new day,” Vic Sotto said. “We went through some really hard times together. That was part of the growing pains.”

The roller-coaster ride that was the past 32 years is chronicled in the book.

Joey, whose son Jako served as book designer, contributed lots of personal photos. The book was written by honorary Dabarkads Butch Francisco.

One black-and-white photograph from the early days, featuring Tito, Vic and Joey, Chiqui and Richie D’Horsey, forming the initials TY (or Thank You), was re-created for the book launch. It was Joey’s idea, Richie said.

Ces Quesada, another former cohost (April to October 1989), said the book is a fun read, and more: “Reading about the show’s beginnings reminded me of my own ‘growing-up’ years in the biz. It’s a valuable reference book for students who are doing research on the history of Philippine television.”

Tony Tuviera, head of Tape Inc., regards the book as a fitting celebration of the show’s journey. “My dream is to build a museum and maybe our own studio in the future,” he said.

For copies, interested parties may call the Tape office, 426-6423 to 28. Proceeds will go to the bookdrive for students from Typhoon “Pedring”-ravaged areas in Bulacan, Pampanga and Nueva Ecija.

ABS-CBN Christmas Station ID 2004 / 2005 - "Sabay Tayo!"

SABAY TAYO

Lyrics: Robert G. Labayen

Music: Jessie Lasaten

(Martin)

Sa 'yo ko lang naranasan, ang lambing na totohanan

(Zsa Zsa)

ngiti mong di nagpapanaw, ano pa man ang pagdaanan

(Kuh)

Walang malungkot na araw, pag ang kasama ay ikaw

(Gary V)

At sa pinag-isang damdamin, malayo ma'y, magkapiling pa rin

(Vina)

Sabay tayo, sa bawat pagtibok ng ating puso

(Sarah G)

Sabay tayo, sa lahat ng nais ako'y kasama mo

(Eric Santos)

Sabay tayong lumuha, sabay tayong magsaya

(Christian & Mark Bautista)

Sabay nagsisikap sa iisang pangarap

(Frenchie, Rachel, Shreyn)

Magkaramay sa lumbay, magkasama sa lahat ng tagumpay!

(Gloc9 Rap)

Makinig, manginig masdan ang aking bibig,

May sasabihin akong talagang nakakakilig

Matagal ko na itong sa sarili nabatid

Napaka-swerte ko at ikaw ay aking kapatid.

Lahing malupit, lahing astig, matinik, magaling,

Malikot ang isip kahit saang dako ng daigdig

Kapag ikaw at ako'y magkasabay, may malaking bagay Itigil na natin, alitan at ano mang away

Yabangan, bangayan, tama na ang paligsahan

Mas gusto ko pa na tayong lahat ay magyakapan

Isang pamilya sama-sama, ating lahi bigyan ng kulay

Bandila'y iwagayway, buong mundo ay magpupugay

Sama-sama, lahat ay mag-hawak-kamay

Bawat isa sa atin ay magsi-silbing gabay

Sama-sama, lahat ay mag-hawak-kamay

Bawat isa sa atin ay magsi-silbing gabay

(Hail Mary the Queen Choir)

Sa pinag-isang layunin

Sa pinag-samang galling

Saan man dito sa mundo

Ikaw at ako'y mag-niningning

Kapag kamay mo'y aking hawak

Para akong may pakpak

(Madrigal Singers)

Pagsubok man ay umapaw

Ikaw at ako'y mangingibabaw

(All)

Sabay tayo, sa bawat pagtibok ng ating puso

Sabay tayo, sa lahat ng nais ako'y kasama mo

Sabay tayong lumuha, sabay tayong magsaya

Sabay nagsisikap sa isang pangarap

Magkaramay sa lumbay

Magkasama sa lahat ng tagumpay!

Sabay tayo, sa bawat pagtibok ng ating puso

Sabay tayo, sa lahat ng nais ako'y kasama mo

Sabay tayong lumuha, sabay tayong magsaya

Sabay nagsisikap sa isang pangarap

Magkaramay sa lumbay

Magkasama sa lahat ng tagumpay!

Put a little love in your heart

Take a good look around. And see if you're not looking down.

Put a little love in your heart

I hope when you decide. Kindness will be your guide.

Put a little love in your heart, Put a little love, in your HEART!!!

Prayers of The Holy Rosary

The Apostles Creed

I believe in God, the Father Almighty, Creator of heaven and earth; and in Jesus Christ, His only Son, our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried. He descended into hell; the third day He arose again from the dead; He ascended into heaven, sitteth at the right hand of God, the Father Almighty; from thence He shall come to judge the living and the dead. I believe in the Holy Ghost, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and life everlasting. Amen.

Our Father

Our Father, Who art in heaven; hallowed be Thy name; Thy kingdom come; Thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us, and lead us not into temptation; but deliver us from evil. Amen.

Hail Mary

Hail Mary, full of grace, the Lord is with you; blessed are you among women, and blessed is the fruit of your womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

Glory Be

Glory be to the Father, and to the Son, and to the Holy Spirit. As it was in the beginning, is now, and ever shall be, world without end. Amen.

Fatima Prayer

O my Jesus, forgive us our sins, save us from the fires of Hell and lead all souls to Heaven especially those in most need of your mercy.

All For

All For the Sacred and Eucharistic Heart of Jesus, all through the Sorrowful and Immaculate Heart of Mary, all in union with St. Joseph.

St. Joseph Prayer after the Rosary

Glorious St. Joseph, spouse of the Immaculate Virgin, obtain for me and all the members of my family and loved ones, a confident, sinless, generous, and patient heart, and perfect resignation to the Divine Will. Be our guide, father, and model throughout life, that we may merit a death like yours, in the arms of Jesus and Mary. Help us, St. Joseph, in our earthly strife, to fulfill our responsibilities and ever to lead a pure and blameless life.

Heavenly Father, please ask the Holy Spirit, Who resides in the innermost recesses of my soul, to help me to call to mind all of my sins and faults. Help me to detach myself from these faults and sins so that I can be a useful instrument in the hands of the Most Holy Family, to achieve Your distinctive plan for my life.

Let me now pause for a few moments to think of my sins, faults, and omissions.

Act of Contrition

O my God! I am heartily sorry for having offended Thee, and I detest all of my sins, because I dread the loss of Heaven and the pains of hell, but most of all because I have offended Thee, my God, Who art all good and deserving of all my love. I firmly resolve with the help of Thy grace, to confess my sins, to do penance, and to amend my life. Amen.

Let us Pray: Heavenly Father, in the Name of Our Lord Jesus Christ, we ask You to release a Poor Soul of one of our loved ones from Purgatory for each of us who have received Your Son in Holy Communion this day, and we ask these souls being released to pray continually that our families and the members and families of the Apostolate do Your will.

ABS-CBN Christmas Station ID 2006 - Angat ang Ligaya ng Pasko

O bakit kaya tuwing pasko ay dumarating na

Ang bawat isa'y para bang namumroblema

Hindi mo alam ang regalang ibibigay

Ngayong kay hirap na nitong ating buhay

Meron pa kayang caroling at noche buena

Kung tayo naman ay kapos at wala nang pera

Nakakahiya kung muling pagtaguan mo

Ang 'yong mga inaanak sa araw ng pasko

Ngunit kahit na anong mangyari

Ang pag-ibig sana'y maghari

Sapat nang si Hesus ang kasama mo

Tuloy na tuloy pa rin ang pasko

Mabuti pa nga ang pasko noong isang taon

Sa ating hapag mayroong keso de bola't hamon

Baka sa gipit, happy new year mapo-postpone

At ang hamon ay mauuwi sa bagoong

Ngunit kahit na anong mangyari
Ang pag-ibig sana'y maghari
Sapat nang si Hesus ang kasama mo
Tuloy na tuloy pa rin ang pasko
... pasko

Mabuti pa nga ang pasko noong isang taon
Sa ating hapag mayroong keso de bola't hamon
Baka sa gipit, happy new year mapo-postpone
At ang hamon ay mauuwi sa bagoong

Ngunit kahit na anong mangyari
Ang pag-ibig sana'y maghari
Sapat nang si Hesus ang kasama mo
Tuloy na tuloy pa rin ang pasko

Tuloy na tuloy pa rin ang pasko
Sa Kapamilya mo tuloy ang pasko

Nais na maKASAMA

Walang mag-iisa ngayong Pasko

Sabay magdiriwang ating PUSO

Ika'y malapit man o malayo

Magkakapiling tayo sa Pasko

Nasan mang dako naaalala ka

Sana'y kapiling sa pagsasaya

Tayo'y iisang PAMILYA

Walang mag-iisa ngayong Pasko

Sabay magdiriwang ating PUSO

"Star ng Pasko"

Lyrics by: Robert G. Labayen

Music by: Marcus and Amber Davis

Kung kailan pinakamadilim

Ang mga tala ay mas nagniningning

Gaano man kakapal ang ulap

Sa likod nito ay may liwanag

Ang liwanag na ito

Nasa 'ting lahat

Mas sinag ang bawat pusong bukas

Sa init ng mga yakap

Maghihilom ang lahat ng sugat

Ang nagsindi nitong ilaw

Walang iba kundi ikaw

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Tayo ang ilaw sa madilim na daan

Pagkakapit bisig ngayon higgpitan

Dumaan man sa malakas na alon

Lahat tayo ay makakaahon

Ang liwanag na ito

Nasa 'ting lahat

Mas sinag ang bawat pusong bukas

Sa init ng mga yakap

Maghihilom ang lahat ng sugat

Ang nagsindi nitong ilaw

Walang iba kundi ikaw

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Kikislap ang pag-asa

Kahit kanino man

Dahil ikaw Bro, dahil ikaw Bro

Dahil ikaw Bro

Ang star ng pasko

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Ang nagsindi nitong ilaw

Walang iba kundi ikaw

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Ang nagsindi nitong ilaw

Walang iba kundi ikaw

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Ang nagsindi nitong ilaw

Walang iba kundi ikaw

Salamat sa liwanag mo

Muling magkakakulay ang pasko

Dahil ikaw Bro, dahil ikaw Bro

Dahil ikaw Bro

Ang star ng pasko!

(oooh)

Kapiling ko mga bituin ngayong gabi

mga ulap ang aking katabi

Ngunit hindi ako nag iisa

pagkat ikaw ay nandito na

...

Mga tala sa iyong mata'y aking batid

bawat kislap ay may pag-ibig na hatid

Sa mga hangarin nating tapat

kayang baguhin ng lahat

Magagandang larawan ng ating bukas

ngayong pasko ay magniningas

Ngayong pasko magniningning ang Pilipino

Saan man sa mundo tanaw nila ang liwanag mo

Bituin ka ng pagmamahal pinagpala ng Maykapal

Ngayong pasko magniningning ang Pilipino

Magandang tadhanang naghihintay

pupuntahan nating magkasabay

Tibok ng puso nati'y iisa

sa loob nito'y taga-rito ka

Magagandang larawan ng ating bukas

ngayong pasko ay magniningas

Ngayong pasko magniningning ang Pilipino

Saan man sa mundo tanaw nila ang liwanag mo

Bituin ka ng pagmamahal pinagpala ng Maykapal

Ngayong pasko magniningning ang Pilipino

Sa hirap at ginhawa

umiyak man o tumawa

Malayo o malapit

tayo ay sama sama

Tagumpay natin ay ipagdiwang (ipagdiwang)

wala ng panahon kung hindi ngayon

Ngayong pasko magniningning ang Pilipino

Saan man sa mundo tanaw nila ang liwanag mo

Bituin ka ng pagmamahal pinagpala ng Maykapal

BIYAHE TAYO LYRICS

Lyrics by: Rene Nieva, Perceptions

Music by: Rico Blanco, Rivermaya and Mike Villegas, Rizal Underground

Arrangement by: Angelo Villegas, Hit Productions

Rap portion by: Francis Magalona

Direction by: Noel Nieva

Ikaw ba'y nalulungkot

Naiinip, nababagot?

Ikaw ba'y napapagod Araw gabi'y puro kayod?

Buhay mo ba'y walang saysay

Walang sigla, walang kulay?

Bawa't araw ba'y pareho

Parang walang pagbabago?

Tara na, biyahe tayo
Kasama ang pamilya
Barkada at buong grupo
Para mag-enjoy nang todo.

Halika, biyahe tayo,
Nang ating makita
Ang ganda ng Pilipinas
Ang galing ng Pilipino.

Napasyal ka na ba
Sa Intramuros at Luneta
Palawan, Vigan at Batanes
Subic, Baguio at Rice Terraces?

Namasdan mo na ba
Ang mga vinta ng Zamboanga
Bulkang Taal, Bulkang Mayon
Beach ng Boracay at La Union?
Tara na, biyahe tayo
Mula Basco hanggang Jolo
Nang makilala nang husto
Ang ating kapwa-Pilipino.

Halika, biyahe tayo,
Nang ating makita
Ang ganda ng Pilipinas
Ang galing ng Pilipino.

From city to city,
Seven thousand and a hundred plus islas
Sa mahal kong Pilipinas
Luzon, Visayas, Mindanao ating puntahan.
Huwag maging dayuhan sa sariling bayan!

Nasubukan mo na bang
Mag-rapids sa Pagsanjan
Mag-diving sa Anilao
Mag-surfing sa Siargao?
Natikman mo na ba
Ang sisig ng Pampanga
Duriang Davao, Bangus Dagupan
Bicol Express at Lechong Balayan?

Tara na, biyahe tayo,
Nang makatulong kahit pa'no

Sa pag-unlad ng kabuhayan

Ng ating mga kababayan.

Halika, biyahe tayo,

Nang ating makita

Ang ganda ng Pilipinas

Ang galing ng Pilipino.

Nakisaya ka na ba

Sa Pahiyas at Masskara

Moriones at Ati-Atihan

Sinulog at Kadayawan?

Namiesta ka na ba

Sa Peñafrancia sa Naga

Umakyat sa Antipolo

Nagsayaw sa Obando?

Tara na, biyahe tayo

Upang ating matamo

Ligaya at pagkakaibigan

Kaunlaran, kapayapaan.

Halika, biyahe tayo,

Nang ating makita

Ang ganda ng Pilipinas

Ang galing ng Pilipino.

Tara na, biyahe tayo

Upang ating matamo

Ligaya at pagkakaibigan

Kaunlaran, kapayapaan.

Halika, biyahe tayo

Nang ating makita

Ang ganda ng Pilipinas

Ang galing ng Pilipino.

Halika, biyahe tayo...

WOW Philippines...

'Gintong Tinig'

The popularity of radio in the Philippines produced voice icons that became household names. There are the likes of Ka Ernie Baron, Ka Kiko Evangelista, Tiya Dely Magpayo and Rey Langit who ruled the country's airwaves especially in the 70's and 80's.

But as television equaled if not replaced radio as the most popular medium, ultimately changing the country's media landscape, many voices emerged and threatened the dominance of radio voice icons in the consciousness of Filipinos.

Leading the list of the country's most ubiquitous voices is an icon whose voice is familiar to all television viewers. For decades now, he has been lending his golden voice for all the plugs of ABS-CBN's television shows be it drama, comedy, talk show, even anime.

And lately, he extended his services in the cinema industry by doing voice over work for Star Cinema movies. Little did we know that the icon is also an officer of ABS-CBN, proving that there's more to the man than his voice.

And as foreign novelas invaded the local television industry, Filipinos fell in love with the voices behind the likes of Thalia of "Marimar", Vivian of "Lovers in Paris" and Hua Ze Lei of "Meteor Garden".

Equally popular are the catchy and recognizable voices for commuters who ride the MRT and airlines.

And since almost everyone has a cell phone, have you wondered who's behind telecom catch phrases like "*the subscriber cannot be reached?*"

The human voice is an everyday instrument used to convey one's ideas and emotions through talking, laughing, shouting, and crying, among others.

Talking, for instance, is an effortless action for most of us. However, for voice talents, there is more to using the voice than just for mere chit-chat.

But who exactly are these voice actors and voice icons and how much are they paid for their God-given voices?

Catch this special documentary on July 2, 2011 as Julius Babao and ABS-CBN News and Current Affairs unveil the faces behind the popular voices.

San Miguel bags huge Luzon toll road project

San Miguel Corp. has turned up the heat in the ongoing battle for dominance of the country's lucrative network of toll road systems by taking control of a little-known but strategically important highway project.

According to Inquirer sources, the publicly listed conglomerate has acquired a majority stake in Ausphil Tollways Corp.—a Filipino-Australian consortium and the main project proponent for the North Luzon East Expressway (NLEE).

Once completed, the NLEE will extend from Commonwealth Ave. in Quezon City to as far north as Tuguegarao City in Cagayan province, on Luzon's eastern seaboard.

More importantly, however, the NLEE is expected to have adverse implications for vehicle traffic that uses the North Luzon Expressway (NLEx), which is owned and operated by Metro Pacific Investments Corp.—SMC's rival for dominance in the toll road business.

At present, the bulk of vehicular traffic between Manila and northern Luzon goes through NLEx. The completion of NLEE will allow vehicles traveling between Manila and central and northeastern Luzon—potentially as much as half of NLEx's existing volume—to bypass the MPIC-run highway altogether.

The NLEE project is an unsolicited built-transfer-operate project for the development, financing, operation and maintenance of the toll concession corridor. NLEE has been designated as an official toll road project by the Toll Regulatory Board (TRB), the government agency in charge of supervising toll highways nationwide.

The cost of San Miguel's acquisition of Ausphil remains a closely guarded secret, although an industry source familiar with the project said that phase one of the NLEE project would cost as much as P9.3 billion.

According to the source, phase one of NLEE involves the construction of an 18.9-kilometer, four-lane toll road from Commonwealth Ave. in La Mesa, Quezon City, to Norzagaray, Bulacan.

The SMC-led consortium will secure the land for the expressway with the help of the right-of-way privileges of the Metropolitan Waterworks and Sewerage System (MWSS), which supervises the land around its watersheds.

The source added that phase one of NLEE would take about 16 months to construct, within which the consortium will also secure its concession agreement from the TRB.

Phase two of the NLEE project calls for the construction of a 36.9-kilometer, four-lane toll road from Norzagaray, Bulacan, to Cabanatuan City (in Nueva Ecija) via Angat, San Ildefonso and San Miguel, Bulacan, along the periphery of the Angat watershed.

This phase will take about 24 months to construct and is expected to be put through the Swiss challenge process for unsolicited bids over the next few weeks.

Upon completion, both phases of the NLEE are expected to generate an average daily traffic of about 65,000 vehicles and reduce travel time and transportation costs between cities and municipalities along its route.
